

Hi, I am Davide, a visual and UI designer with more than 15 years of experience. During these years I had the chance to work for many interesting clients growing my knowledge in graphic design, web design and UI.

ABOUT

I am seeking

a position as visual designer where I can apply, develop and consolidate my skills in the areas of digital design, UX/UI and branding.

Education

Talent Garden Innovation School

- Master's degree - User Interface Design

Università Bocconi

- The Startup Training

Interaction Design Foundation

- Design Thinking
- User Experience
- UI Design Patterns for Successful Software

IED Istituto Europeo di Design

- Graphic Design

Liceo Artistico Caravaggio

- Diploma

Callan School (London)

- English

My abilities include

concept development, art direction, layout design, prototyping, web design, naming, printing process, packaging, web design, UX/UI design, Atomic Design and Design Thinking.

Software that I'm familiar with*

- Figma
- InVision
- Bootstrap
- Photoshop
- Illustrator
- Sketch
- Overflow
- Webflow
- InDesign
- XD

* to avoid a full laundry list above, I've listed just my favorites. If you use a different software that works well in your established workflow, I would be happy to learn it.

I speak

Italian, English.

My interests & hobby is

snowboarding (I am also a snowboard instructor), climbing and trekking. I love learning, reading and listening to music. I'm addicted to ice cream and chocolate.

EXPERIENCE

Freedompro

Senior Visual Designer. 2019 - Today

Creation of the visual identity for the company. Realization of the website and e-commerce store, design of UI application for smart homes with Apple, Google and Amazon.

Freelance

Designer. 2016 - 2019

Freelance for some clients: Korff | Ganassini Corporate | La Tua Pasta (London) | Interface Facility Management.

Ganassini Corporate (Milan)

Art Director. 2015

Production of POP materials, captivating brochures, and compelling advertising campaigns.

La Tua Pasta (London)

Sales Assistant. 2013 - 2014

During this experience I improved English language, my organization ability and the capability to relate with public.

Factory Prime (Milan)

Designer. 2011 - 2014

Creation of advertising campaigns, BTL, web pages and coordinate images of clients such as Luxottica, Mediaset Premium, Harley-Davidson, Black&Decker, Castrol, BP.

Gaia Comunicazione (Milan)

Designer. 2009 - 2011

Upkeeping of corporate identities on a variety of different projects.

More Light (Milan)

Designer. 2005 - 2009

Development of BTL, coordinate images and packaging as well as all-round support for senior designers projects.
